RAO SAHIB DR. N. KUNJAN PILLAI (*Chief Secretary to Government*): I think so. Government are not concerned with what Sir C. P. Ramaswami Aiyar said in his private capacity to the abstentionists or to other people.

MR. A. THANU PILLAI (*Trivandrum-Rural*): May I know why Government took the trouble of answering the question in regard to the statement made by a person for whose statements Government do not accept any responsibility and in which Government have no concern?

MR. T. K. VELU PILLAI (*Trivandrum-Urban*) I rise to a point of order whether it is open to a member to ask why a question has been admitted and why an answer has been given to it.

PRESIDENT: That is clearly not allowable.

MR. A. THANU PILLAI (*Trivandrum-Rural*): May I know, Sir, whether Government are in a position to inform the House as to their attitude in regard to the contention of certain people that they are aggrieved by reason of the constitutional reform?

PRESIDENT: I am afraid I must disallow that question also. It is asking for the opinion of Government.

MR. A. THANU PILLAI (*Trivandrum-Rural*): May I know, Sir, whether Government, if they are so advised and if they take action in regard to the alleged grievances of some people, will try to ascertain public opinion before arriving at a final decision?

PRESIDENT: That also is out of order because it is a hypothetical question.
